1. What This Licence Permits

- Deploy the GDRock Privacy Policy template on up to 5 client stores simultaneously
- White-label all GDRock materials — replace GDRock branding with your agency brand
- Use the GDRock Cookie Banner Script on all covered client stores
- Provide all GDRock documents to clients as part of your compliance service
- Charge clients any price you choose for your compliance services
- Add your agency's branding, logo, and contact details to all documents

2. What This Licence Does NOT Permit

- Resell GDRock materials as standalone products without your agency services
- Share login credentials or licence keys with third parties
- Deploy on more than 5 stores simultaneously (upgrade required for more)
- Claim that GDRock provides legal advice or guarantees compliance
- Remove the GDRock disclaimer from legal documents (required for liability reasons)
- Sub-licence this agreement to another agency without written consent from GDRock

3. Client Store Registration

- Register each client store within 7 days of deployment
- Send store name, domain, and contact email to office@gdrock.com
- GDRock will maintain a register of all covered stores
- Swap out a store at any time — notify GDRock within 7 days of the change
- Store count is calculated as simultaneous active deployments, not historical

4. Your Responsibilities to Clients

- Inform clients that materials are based on GDRock templates
- Advise clients that templates are tools, not legal guarantees
- Recommend clients seek legal advice for complex or high-risk processing
- Keep client documents updated when GDRock releases major revisions
- Maintain your own records of which clients have which version deployed

5. Liability

- GDRock provides templates and tools — not legal advice
- GDRock is not liable for any fines, penalties, or claims arising from client use
- You, as the agency, are responsible for correct implementation at your clients
- Always include the GDRock disclaimer in all legal documents provided to clients
- Recommend clients verify compliance with a qualified data protection professional

6. Termination

- Either party may terminate this licence with 30 days written notice
- On termination, you must cease deploying new GDRock materials
- Existing client deployments may continue for up to 90 days post-termination
- After 90 days, you must remove or replace all GDRock-based materials from client sites
- No refund for unused portion of the current billing month
